

REMARKS

Applicants provide herein a supplemental response to the Notice of Non-Compliant Amendment. In particular, the Examiner had originally requested a complete list of all of the claims including the text and the proper status identifier in ascending numerical order, which had been provided within the one month period for response. Upon further review of the response as filed, Applicants' representative noted that the status identifier for claim number 26 was inadvertently submitted as "previously amended", rather than as "previously presented". This correction has been made and is submitted herewith.

No fees are believed to be necessitated by this amendment. However, should this be in error, authorization is hereby given to charge Deposit Account No. 11-1153 for any underpayment, or to credit any overpayments.

Respectfully submitted,

Veronica Mallon, Ph.D.
